PUBLIC HEARING TO DISCUSS BUILDING CODE—ZONING NEXT THURSDAY

The Bethel Planning Board will hold a public hearing next Thursday evening, February 13, at 7:30 in Odeon Hall. A proposed building code for the town is scheduled to be discussed as well as the zoning ordinance enacted by the town in September of 1958. It is believed that the Planning Board will have articles in the annual town meeting warrant that concern both of these matters.

The zoning code enacted in 1958 was replaced by an ordinance prepared by the James Sewall Co. of Old Town in March 1967. The latter law was repealed by the local voters last May 14 by a 527 to 206 margin.

ADULT EDUCATION PROGRAM BEING PLANNED AT TELSTAR

Plans are currently underway to implement an Adult Education Program to be held at Telstar Regional High School starting in March. An attempt is being made to survey the communities to determine the courses most in demand. This will be accomplished through fliers sent home with students attending the district schools. Any interested party who does not have a child in school may obtain a flier next week by contacting Mr. Denison or Mrs. Seames at the Guidance Office of Telstar.

The intent of the program is to provide interested adults with an opportunity to complete their high school education, as well as to provide courses of interest to those who have already graduated.

Earl Davis is home from the Rumford Community Hospital in Rumford.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

Applications are being received at the Town Office for the secretarial position being vacated by Mrs. Eames, effective March 3rd.

As the Town Clerk's Office is now in the Town Office we are seeking a person who would also be interested in the Clerk's position.

The annual audit of the town accounts has been completed by members of the staff of the State Department of Audit. We expect a report the first of next week.

We will have the town report to the printer soon. There will be several new articles, three of which will pertain to sewage disposal. We must have authorization from the town to apply for Federal Aid, also to issue bonds for construction plans and for the construction itself.

There appears to be a shortage of Federal funds to be used for sewage plants and the backlog of municipalities applying for a portion is growing. In order that we may be considered we must have authority to apply.

MINSTREL SHOW REHEARSALS START FEB. 11, AT TELSTAR

The first rehearsal for the chorus of the "All Aboard for College" minstrel show will be held Tuesday, Feb. 11, at 7:30 in the music room at Telstar Regional High School.

Members of this group, under the direction of Mrs. Edith Eypper and Mrs. Richard Littlefield will be from all towns in School District 44 and anyone interested in participating is urged to attend.

Mr. and Mrs. Maurice Bouchard and sons, Cliff and Bob, were called to Waterville by the death of her father, Clifton Wentworth on January 31.

TAX STUDY PROPOSALS PRESENTED TO LEGISLATURE

Local assessment districts, trained professional assessors, and establishment of taxpayers' appeals procedures were among the proposals included in a Study of Property Tax Administration in Maine presented to the 103rd Maine Legislature last Thursday by the University of Maine Bureau of Public Administration.

The bureau was authorized to review the administration of Maine's property tax by the 102nd Legislature which established the bureau in 1965.

Proposed legislation to implement the findings of the study will be sponsored by State Senator James Martin of Guilford.

Twelve local assessment districts of approximately uniform state equalized valuation, or approximately uniform population, to perform the function of assessing in the organized municipalities were proposed.

Such districts, the study reported, should have available a minimum of one per cent of property tax revenue from the district to finance the administration of the system, and a minimum budget of \$60,000 to \$100,000 in each district. Additional suggestions were regulation by an executive committee representative of municipalities within the district, and reevaluation and realignment if necessary every 10 years.

The study proposed modification of the assessment appeals process to provide improved citizen access and to place the burden of proof of assessments on the qualified assessor.

The proposal included the right of all aggrieved property taxpayers to place their claims before an impartial and qualified agency; establishment of a board of assessment review in each primary assessing area; establishment of a state tax court, small claims procedures and guidelines for the initiation of protests; and state assessment ratio data to be evidence of what the reported local assessment ratio is in fact.

Institution of assessor training programs to provide a future supply of trained professional assessors as well as to upgrade the skills of present assessors, is proposed in the study. Suggested were establishment of a university level two year assessors' associate degree academic program; development of in-service training programs; and state participation in interstate assessor training programs. Authorization for assessing districts to expend funds for assessor training was recommended.

The study recommended that qualifications of assessors be certified by the state property tax supervisory agency, and that the basic components of the state certification program should include examination of assessor qualifications; certification of qualified assessors for five years; additional training requirements for assessors to maintain certification; a tenure provision tied to certification; re-examination of certified assessors for cause; limited provisional certification while assessors complete basic on-the-job training; and limited probationary certification for assessors having necessary formal education, but lacking experience.

Elevation of the Property Tax Division to Bureau status in the Department of Finance and Administration was proposed. The director of the Bureau of Property Taxation would be assigned responsibility for execution of property tax laws, su-

PUBLIC MEETINGS IN ANDOVER AND BETHEL TO DISCUSS SCHOOL BUDGET

In order to enable discussion of the 1969 budget for School Administrative District 44 prior to the annual District Budget Meeting on Feb. 26, two informational meetings have been scheduled.

On Wednesday evening, Feb. 12, citizens in the Andover area will have an opportunity to hear a presentation of the budget and ask questions at a 7:30 meeting at the Andover Town Hall.

A similar meeting has been scheduled at the Telstar Regional High School cafeteria on Wednesday evening, Feb. 19, at 7:30.

District citizens are urged to attend at least one of these pre-district meeting hearings.

GRAFTON CAMP DESTROYED IN SATURDAY FIRE

A camp in Grafton, owned by Mrs. Donald Hanscom, South Paris, was destroyed by fire Saturday afternoon. Mrs. Hanscom's son, Roger, his wife and brother-in-law, were at the camp to check it and remove some belongings. Mr. Hanscom stated that he had started a fire in the wood burning stove, then lit the oil burner. They had started removing some belongings when they heard an explosion. Looking around he saw that the inside of the camp was a mass of flames. He drove to the nearby residence of Roger Hanscom (no relation) to summon aid. Volunteers from Newry and the Bethel fire department responded, but were unable to save the building or any of its contents.

Mr. Hanscom stated that his mother was in New York at the time of the fire which broke out about 3:30 p. m. Damage was unofficially estimated at \$2,000, and was reportedly partially covered by insurance.

The camp at the entrance of the New Grafton Notch State Park, was one of several camps taken over by the State Park Commission when the Park was first started. The owners were given life leases to the buildings. The farm buildings of Walter Wall, on the same site were destroyed by fire Nov. 1, 1934.

SENIOR CITIZENS TO MEET NEXT TUESDAY

The regular monthly meeting of the Senior Citizens will be February 11th at Garland Chapel.

The Eleanor Gordon Guild will serve the luncheon and Mrs. Stella Moore will make the birthday cake. Rev. W. A. Seidensticker is to be guest minister.

In the afternoon group singing will be enjoyed and Mrs. Lucille Gaisson, supervisor of the Home Health Agency, and Mrs. Annabelle Lee will explain the work of the Agency. This should be a very informative and interesting program followed by a question and answer period.

In the afternoon group singing will be enjoyed and Mrs. Lucille Gaisson, supervisor of the Home Health Agency, and Mrs. Annabelle Lee will explain the work of the Agency. This should be a very informative and interesting program followed by a question and answer period.

Copies of the report will also be distributed to state and local officials, Chambers of Commerce, libraries and industry, and may also be obtained from the BPA office at South Campus, U. of M., Bangor.

COUNTY REPUBLICANS TO MEET IN BETHEL FEB. 12

Oxford County Republicans are gathering at Telstar Regional High School in Bethel on Wednesday, Feb. 12th at 6:30 p. m. in honor of Lincoln's Birthday to be treated to a smorgasbord and hear Cyril Joly, Jr., of Waterville, State Republican Committee Chairman.

Annually Republicans gather to honor the first man to serve as president of the United States of their political party... Abraham Lincoln.

Serving on the Lincoln dinner committee are Belmont House, County Chairman, E. Louise Lincoln, state legislator, and Dick Mersereau, Republican Action Committee chairman.

Prior to the Lincoln dinner a Republican Action Committee program has been scheduled for six o'clock to present its program and enlist support for this effort. Tickets are available through town committee leaders.

1968-1969 SCHOOL BUDGETS COMPARED

On Monday, January 24, the board of directors of School Administrative District 44 adopted a budget to operate the schools in the District for the 1969 calendar year.

On Page 3 may be found a summary of the estimated expenditures for 1969 compared to the estimated expenditures for 1968, along with explanatory notes on the 1969 budget.

INDEPENDENT CITIZENS TO MEET

There will be a meeting of the Independent Citizens of Bethel at the Odd Fellows Hall, 7:30, Monday, Feb. 10.

INTEREST STIRRING IN LOCAL POLITICS

With the February 17 deadline for filing nomination petitions eleven days away, some movement is being shown in Bethel political circles.

The terms of two members of the Bethel board of selectmen expire this year. James T. Hudson and J. Jay Willard are both completing three year terms. As of this Thursday morning Mr. Willard has signified that he will seek re-election to the dual post of selectman and assessor. Frank Hunt, Arnel K. Brown and Dana Bean will also seek selectman-assessor posts.

The terms of two Bethel members of the S. A. D. 44 board of directors, Dexter M. Stowell and A. James Fiske are expiring this year. Mr. Stowell has stated that he will not seek re-election.

Shirley Chase, Dale Thurston, Thomas Jeffries and John Brown obtained nomination papers from the Town Clerk, seeking to appear on the March 3 ballot as candidates for School District directors.

BOY SCOUT FINANCE CAMPAIGN TO BE CONDUCTED FEB. 17-23

The annual Boy Scout finance drive will be conducted the week of February 17 to 23. House-to-house canvassing will be done by Scout Dads, Mothers, and committeemen. This yearly campaign is the sole support of the Pine Tree Council, thus the support of the Girl Scouts, Cub Scouts and Boy Scouts.

Mr. and Mrs. William Von Zintl plan to leave this week to spend three months in Florida. They will be residing at 551 Lillian Drive, Madeira Beach.

FIRST GRADERS SEE "COMMUNITY HELPERS" AT WORK

Mrs. Mary Gaudreau and Mrs. Caroline Gould have taken their first graders at Ethel Bisbee School to several places in town to see community helpers at work. This project is part of their social studies unit on Community Helpers.

On February 5th, Mrs. Gaudreau's children visited the Bethel Post Office. They plan to visit the Bethel Savings Bank and a grocery store next week.

Mrs. Gaudreau's first graders visiting the Bethel post office yesterday morning are shown above. Earlon Paine, postmaster, is at the rear.

On Monday, February 3rd, Mrs. Gould took her class to the Bethel Savings Bank. Last week they visited the Bethel Post Office. On February 5th they went to the Bethel I. G. A. Store.

Pictured below are Mrs. Gould's first graders as they visited the Bethel I. G. A. in the afternoon.

Duane Ryerson is spending a couple of weeks with his parents, Mr. and Mrs. Emery Ryerson Jr., having finished his boot training in the Navy.

The old ground hog has gone back to sleep for six weeks more. I'm sure he saw his shadow today for the sun shone all day, warming the porch so we sat out there for some time. Chickadees were flying around the feed station.

Lenwood Andrews and Jerry Russell of Buckfield went to Presque Isle Saturday to attend the services of Frank Goodridge.

Rebecca Andrews returned to Orono for the second half of the years studies having been visiting with her parents, Mr. and Mrs. Lenwood Andrews since mid-year exams.

Mr. and Mrs. Leslie Thurlow and Miriam Morgan, Mr. and Mrs. Welton Wing, Bryant Pond, went to Virginia Friday, where they attended the wedding of Bruce Thurlow and Peggy Wing Sunday at the Army base where Bruce is stationed. The group will return home Monday.

CARD OF THANKS

We wish to express our deepest appreciation for the many kind deeds and words of sympathy shown us in the loss of our loved one, especially to Eldon Greenleaf and Larry Smith from the Greenleaf Ambulance Service and Funeral Home, to Dr. Dexter Elmore and the efficient nurses at the Rumford Community Hospital, to Roderick McMillin and the American Legion and the members who served as bearers—you were also old friends and a brother-in-law who shared happier times—and to Rev. Clifford Laws for his service and words of memorial; but also to brothers, sisters, relatives, neighbors, co-workers, employers, school friends, teachers and friends who gave of their time to come to comfort us, for the flowers, food, money gifts, telephone calls, the cards and messages of sympathy from near and far, we can only say "Thank You."

We pray that God willing "he knows that you cared."

GREENWOOD CITY

Mrs. Calista Morgan, Corres.
It was late afternoon, Friday, the last day of January and across the expanse of Norway Lake shadows had begun to fall.

Above, the sky was spectacular as it shifted into a magical afterglow of gold, blue and crimson. We were headed into a sunset marking the close of another day.

As we watched, pale purples appeared, changed, and bit by bit this brilliant splendor faded and slowly, over all, twilight fell, leaving a mighty world of shadows.

The hills rose almost to the dignity of mountains and possessed a romantic beauty crowned with forest trees, hiding rich and secluded spots. All was so picturesque with primal silence.

Soon the stars came slowly into sight while child clouds rode the horizon.

The trees were untouched by a breeze and the evening was still as a moonbeam.

So came the dusk, the starlight and January's moon in cold beauty, rising and looking more and more brittle. It seemed as if a light tap would shatter it to pieces.

This winter sky! How different from the summer months when the trees and hills are edged with leaves. Now there are no boundaries and the sky is endless.

The scattering of bright stars twinkling through the branches was trying hard to pierce the forest gloom.

Mental strain and stress retreated into the background. Physical fatigue was dissipated. We scanned the world, noted the distant hills, and found enjoyment in the scene.

The reward, pleasure, was great. For the moment, and that was all that mattered, what more could one ask for the closing of a busy day.

Miss Ann Holt, Gorham State College, has been ill with the flu this week.

Miss Kathy Morgan, daughter of Mr. and Mrs. Leroy Morgan, broke her arm this week while at school and Judith Hakala injured her knee while skating.

Mr. and Mrs. Leonas Holt were Sunday callers at Mr. and Mrs. Maynard Chase's, West Paris.

 Newry 4.34% of 665,677.00 = 28,890.00
 Woodstock 13.02% of 665,677.00 = 86,671.00

The total increase in the 1969 budget estimates over the 1968 budget estimates represents a 44.5% increase or \$205,277.00.

Due to the State Tax Assessor's re-evaluation of taxable properties in the District, as indicated above, the percentages and appropriations for each town have changed. The increase of \$205,277.00 from 1968 to 1969 represents the following percentage and dollar increases to each community in the District:

Andover	146%	\$128,004.00
Bethel	21%	40,796.00
Greenwood	28%	19,902.00
Newry	25%	5,870.00
Woodstock	14%	10,705.00

\$205,277.00

Explanatory Notes on 1969 Budget

1. Administration: 1968—\$34,300.00 1969—\$32,546.00
 The decrease is due to the changeover in payment of the Superintendent of School's salary by the State Department of Education. Over one-half of the Superintendent's salary is paid directly by the State Department, thereby reducing the District's portion paid to the Superintendent from 1968-1969. There are some increases in portions of this net such as:

... Increase in salaries for secretarial personnel.
 ... Increase in monies for supplies, postage, printing of annual report, and auditor's services.

2. Instruction: 1968—\$588,249.00 1969—\$774,038.00
 The increase represented here is one of the largest, and understandably so, because this account includes the following:

... All teachers', principals', and supervisors' salaries.
 ... Monies to hire new personnel.
 ... Substitute teachers' pay.
 ... Educating the physically handicapped.
 ... All clerical and secretarial personnel's pay.
 ... The purchasing of textbooks, library books, audio-visual materials, and teaching supplies.
 ... Payment for medical insurances for the staff.
 ... Payment for adult education programs at Telstar Regional High School.

Also, 1969 represents the first full year of the operation of Telstar Regional High School. In 1968, only enough monies were appropriated to operate Telstar from September to December; now, monies have to be appropriated to operate from January to December. The increases are also due to a higher salary schedule for teachers. In order for our District to be competitive with the Districts surrounding us, we must stay somewhat competitive, that is, if we intend to attract and keep qualified staff members. There are six (6) new staff members being requested this year—four (4) at the elementary level and two (2) at the secondary level.

Elementary Level:

... Two (2) additional classroom teachers for Crescent Park School because of anticipated class enrollments.
 ... one (1) art teacher for the District elementary schools.
 ... One (1) guidance instructor for the elementary schools.

Secondary Level:

... One (1) physical education instructor.
 ... One (1) language instructor.

Also included here is one (1) teacher aide for the Ethel Bisbee School.

3. Attendance: 1968—\$100.00 1969—\$100.00

4. Health: 1968—\$4,900.00 1969—\$8,996.00

The increase under this account is due to the first full year's payment of the school nurse's salary, as well as increased costs for supplies.

5. Transportation of Pupils: 1968—\$88,000.00 1969—\$103,836.00

The increase in this account is due to the following:

... The purchase of three (3) new vehicles—one 79-passenger bus, one 20-passenger van, and one 9-passenger van. These smaller vehicles will be used for the transportation of small groups to various activities and also to transport hot lunches from Telstar Regional High School to the surrounding elementary schools.
 ... Increases in the amount of money being paid to bus drivers because of the number of hours being worked.
 ... Increases in monies being paid for contracted services.

Miss Holly Harrell of Concord, N. H., is visiting at Dr. and Mrs. Loy Harrell's for a few days.

Chipper Verrill, the young son of Mr. and Mrs. Ernest Verrill of Concord, Mass., had the misfortune to fall while skiing at Sunday River, breaking a leg. He was attended by Dr. Loy Harrell, x-rayed and put in a cast so they could take him home.

Mr. and Mrs. Paul Shaw were in Ketchum Saturday, from Bethel.

R. M. Bean is in the Rumford Hospital.

Mrs. Mildred Sweeney is spending some time with her brother and wife, Mr. and Mrs. Ed York, at the Will Spinney's home.

There was a snowmobile party at the Don Tyler camp at Ketchum. Those present were Mr. and Mrs. Sam Lamontagne, Mr. and Mrs. Gardner Smith, Mr. and Mrs. Richard Waterhouse, Mr. and Mrs. Leon Tyler and Mr. and Mrs. Reginald Westleigh.

Another party was in the field across the road when I looked out there was Bryce Yates and Edwick, and David Fleet and three children, and two dogs making all sorts of tracks and really enjoying the game.

The weather was snow, rain, and more snow. The coldest 12° below and the highest was 38° above.

see his shadow. He might of strained his back digging out. As the moon as well as the sun were very bright. But he had better not get too far from his den as he will need it six weeks more.

Mr. and Mrs. Wallace Jones of North Waterford called on the David Fleets Thursday.

Dr. Loy Harrell and Miss Holly Harrell called at R. M. Fleet's Saturday evening.

A nice day for the "Hullabaloo" at the Yates's—really just a February Birthday dinner party. There was a roast turkey dinner with all the fixings that a crowd of 23 feasted on: Mr. and Mrs. Gilbert Haines, Jody and Louise, Edward Haines, of Bethel; Mrs. Viva Whitman, Wendall and Wynona, of Norway; Mr. and Mrs. Bryce Yates, Darnita, Elden and Edwick, of Newry; Mr. and Mrs. Rodley Adams, Gregory and Lorene, of Lovell; Mr. and Mrs. Bill Fisher and Donald of Minot; besides the host and hostess, Estes and Ma Yates and Joe. A good time was had by all. All the kids got wet and the boys had an extra good time, thanks to Eddie Kennett and the Ski-doo!

Skiing must have been elegant over the week end, if the number of cars and buses that went by was any indication.

Alden Kennett called at the "Yates's" Thursday to swap "mail packets."

A six inch or more snow storm was predicted this morning (Monday). Hope it gets lost somewhere before it gets to Bethel.

"Whither shall I go from thy spirit? or whither shall I flee from thy presence? If I ascend up into heaven, thou art there; if I make my bed in hell, behold, thou art there." These verses from Psalms are part of the Responsive Reading included in the Bible Lesson-Sermon to be read in all Christian Science churches this week. The lesson is titled "Spirit".

Among related passages to be read from the denominational textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following: "Man walks in the direction towards which he looks, and where his treasure is, there will his heart be also. If our hopes and affections are spiritual, they come from above, not from beneath, and they bear us up of old the fruits of the Spirit."

WEEK IN OXFORD CO. IN AND ABOUT BETHEL

Dr. Hajob Halladjah of Rumford provided an educational meeting on health subjects Tuesday evening at Stephens Memorial Hospital, Norway. Dr. Halladjah is staff pathologist for both Rumford Community Hospital and Stephens Memorial Hospital.

About 400 persons turned out for Rumford's regular town meeting Monday, Feb. 3. The school budget of \$1,285,000 as recommended by the finance committee was approved. After much discussion over the issue of a sanitary sewer system for East Rumford the recommended \$135,000 was approved.

Officers for the Oxford County Agricultural Society were recently picked as follows: Leon G. Newcomb, Norway, president; William Haines, Waterford, vice president; Eliot Hunt, Norway, treasurer; Bert Fernald, Portland, secretary. The group are proceeding with plans for a county fair in the fall of 1969. A 115 acre tract of land in Oxford was purchased last summer. An exhibition hall was built in 1968 and cattle sheds moved to the new location.

Mr. and Mrs. Irving L. Cram of East Hiram recently observed their 62nd wedding anniversary. Mr. and Mrs. Cram have lived 60 years of their married life in Hiram. He has been a farmer, recalling raising short horn cattle, oxen and steers. Mrs. Cram's hobbies have been making rugs, hooked and braided, and sewing. They have two daughters, Mrs. Ralph Cram of West Baldwin, and Mrs. Clifford Douglas of Kittery. There are eight grandchildren and 16 great grandchildren. The Crams received flowers, cards, and money from neighbors and friends in observance of the day.

Seven persons escaped injury, Saturday night when a car skidded into the front of a stalled trailer tank truck on an icy hill in Woodstock on Route 26. The driver of the car was identified as Jeannette F. Aussan, 59, of Park Hill Ave., Auburn. Riding with her were Louise Pilote, William Pilote, Pauline Pilote and Jacqueline Pilote and Barbara Glover.

NEW ESTIMATED TAX SYSTEM FOR 1969

Completely new Estimated Tax Forms for reporting and paying Estimated Tax for 1969 were mailed about February 1 to approximately 10 million taxpayers, Whitney L. Wheeler, District Director of Internal Revenue Service for Maine, has announced.

A taxpayer should not assume that he is required to file or pay Estimated Tax simply because he receives the new package, Mr. Wheeler said. Anyone receiving the new forms package should read the instructions very carefully to determine whether he is required to file an estimate.

No declaration is required, in any event, if the Estimated Tax not subject to withholding can be reasonably expected to be less than \$40.00.

Many taxpayers Mr. Wheeler said, choose to avoid filing declarations and making quarterly payments by increasing the amount withheld from their wages.

He said that the distribution of Estimated Tax Forms is being made somewhat later than usual because of the introduction of some new features designed to reduce problems in crediting payments to estimated tax accounts. The new forms and instructions, which were previously a part of the income tax pamphlets, will be mailed separately this year.

The new package will include the necessary forms, instructions and

BETHEL BUDGET FIGURES CORRECTED — PROPOSED OBLIGATIONS TOTAL \$444,430

The recommendations of the Bethel Budget Committee contained an error as published last week. The SAD 44 figure should be \$243,372, \$101 more than published. The correct figures are:

Total Town (less SAD 44 Assessment & County Tax)	\$150,952
SAD 44 Assessment	243,372
County Tax (est.)	11,000
Total Est. Expenditures	\$404,430
LESS: From Surplus	40,000
To be raised by taxation	\$364,430

four payment "vouchers" and pre-addressed return envelopes. The new package will be sent to all taxpayers whose prior year records indicate that they may be liable for filing an Estimated Tax declaration in 1969.

Mr. Wheeler said the form and payment vouchers will be imprinted with the taxpayer's name, address and Social Security Number exactly as they appear on the Internal Revenue Master File. The imprinted forms will provide assurance that the taxpayer is properly identified and that his payments are credited to the correct account.

Copies of the new form and instructions will be available at IRS offices for those who do not receive them through the mail.

Letters to the Editor

Bryant Pond, Maine
February 3, 1969

To the Editor:
Since 1961 I have been deeply involved in public school education in Bethel, as a member of the Bethel School Needs Survey Committee, a Bethel School Committee member, and as a Director of Telstar Regional District. It is with some feeling of regret that I will not be a candidate for Director from Bethel when my term expires in March 1969. In some future year I may be a candidate once again.

Now that the District is operating and the new high school built, there are two areas that need more attention.

The first concerns the interaction between Telstar Regional High School and the public at large. Education at all levels requires constant self-examination and renewal. The District is fortunate to have an administration and staff at Telstar which recognizes that the old ways are not always the best. However, it is paramount that citizens of the District be aware of what changes are taking place. I feel that there should be more opportunities for the public to express any misgivings and doubts to the Telstar staff. It is much more difficult to run an innovative school than a conventional one. To insure public support which is the basis for any school program, there must be opportunities for public participation. The overall philosophy of the school should be explained in detail by the administration at a public meeting structured in a way to encourage the public to ask questions. Then the teachers might have one or two meetings each year to explain to small groups what they are doing within the overall philosophy. In my opinion the response would be excellent. It is my understanding that there will be some public meetings in the near future.

The second area is an internal problem and has to do with budget-making. As we worked on the 1969 budget, John Ricker suggested a new approach to budgeting which has a great deal of merit. As Directors we should be considering overall programs rather than such items as whether or not the amount set aside to pay for electricity at Raymond Foster school is adequate. One of the most difficult jobs for a Director is to assess the value of programs in relation to the amount of money available to fund these programs. For example, shouldn't the Directors set as a goal, Telstar High School accreditation? Then, until this goal is reached, all the requests for new programs might be measured by whether or not this will be one step closer to accreditation. In the elementary school area, an ungraded program may be a goal. Federal Government funding is done on this basis with grants for specific programs.

I have found my term as Director most rewarding. The public's support of the schools over the past few years during this major change to a School District has been exceptional. The administrators and the teaching staff are well qualified and enthusiastic. My job as Chairman of the Board of Directors of S. A. D. formation was made easier by the group of dedicated District citizens who have served as Directors from their respective towns.

I urge all citizens to become better acquainted with the schools. The best place to do this is as a School Board Director.

Very truly yours,
DMS/H

Dear Editor,

At Crescent Park School we have been writing editorials in Miss Varner's Language Arts Class in the 6th Grade.

We have used as topics "Our Community" and "Our School".

Help Keep Our Town Beautiful

When you have something to throw away, don't throw it on the ground. Put it in the waste cans. Help keep our town beautiful. Be a good citizen. — Donna Chapman.

Breaking Windows Isn't Smart

There are places at our school where windows have been broken. The people who own these buildings do not like it any more than you would.

So let's stop breaking windows because some day you will get caught. — Edward Kennett.

Keep Our Town Clean

In the summer many people throw trash on the streets and sidewalks of our town. If we put the trash in the waste cans, our sidewalks would not be so dirty. When tourists come to visit our town, it would be nice to have a clean town. — Greg Merrill.

What Are Mails For?

They are to wipe your feet on when you come in to school. Most people don't use them and the floors are a mess. In the winter time when people come into the building the floors get very wet. I hope people will be more careful. Don't you? — Gloria Crockett.

The Tall Snow Banks

On some of the roads there are real tall snowbanks. There are a lot of accidents because of this. I think people should put colored balls on the antennas of their cars or use a snowplow to cut down the banks. — Tommy Howe.

Preventing Accidents on the School Grounds

While playing outside the school buildings, someone can get hurt. We can try to prevent it by not playing rough. Do not jump off snow banks head first. Do not stand under the roof because ice can fall on your head. Do not push while in line because someone could slip on his back and hurt it, or he could break a leg. — Edward Ryerson.

Clean Bath Rooms

Our school bathrooms are very untidy. After we wash our hands before we eat, we should take the time to put the paper towels in the waste can. Our bathrooms will look much better. — Clay Andrews.

Coming In After Recess

When we go out for recess we have a lot of fun. We line up to go in and we should be quiet. When we come into the hall, we must not run. — Katherine Henley.

Cleaner Playgrounds

The playgrounds are not kept in good condition. We throw waste paper on the ground. There are trash cans by the building. Let's not have a dirty playground. Let's have a clean one that we will be proud of. — Jackie Morin.

Men Who Work for Our Town

Every time there is a snow storm Main Street is kept plowed and the banks are removed after the storm. The other streets are kept plowed, too. Some times the men plow all night. Let's be proud of the people who work for our town. — Levi Brown.

Guidance Department

Last week in the Survey of the Class of 1968 one student was reported as unknown. Since that time this person has contacted this office and he is now in the Marines. This makes 11 from this class in military service. Any members of the class of 1968 desiring to locate any members of their class may contact Mrs. Louise Seames, secretary, in the Guidance Office.

Seniors anticipating college enrollment this Fall should check with Mrs. Priscilla Hotte to determine the closing date of applications. This is IMPORTANT. The University of New Hampshire has already reported February 15 as the closing date for out-of-state applications. More colleges will report the 15th of March or April as closing dates. Applica-

tions for financial aid cannot be accepted after the reported closing date for applications.

Mrs. Priscilla Hotte, Senior Counselor, plans to attend the Central Maine Guidance Council meeting at Auburn, Tuesday afternoon, February 11. There will be: Informational tour of two Central Maine Schools, namely, Central Maine Vocational Institute and Auburn Maine School of Commerce. After the tour a social hour and supper will follow.

There is an urgent need on the part of several students for part-time work after school or on Saturdays for all day. Anyone interested in the employment of students for babysitting, housework, snow shoveling on the ground, errands or outside work about the home should contact the Guidance Office prior to February 14 at 824-2027. Several students will be available full time

for employment during the vacation period of February 15-23.

The New Hampshire Vocational Institute at Berlin has announced that the next entrance examinations are scheduled for Saturday, Feb. 15, at Berlin, at 9:30 a. m. Any Telstar Senior interested should contact Mrs. Hotte at once.

The College National Merit Tests will be given to Telstar Juniors who are planning on college entrance. The date of the test is February 25. Those who wish to take the test should contact the Guidance office prior to February 14. If there is any doubt in your mind, be sure to consult your counselor in reference to qualifications based on your previous records.

The following Seniors will take the General Aptitude Test Battery examination on Friday, February 7, at the Maine Employment Security

WOODSTOCK

At the Seventh-day Adventist Church, in South Woodstock, on February 6, at the 11:00 a. m. Worship Service, a special offering will be received to extend the denomination's television programming to 300 stations in the U. S. and Canada. The "Faith for Today" has been on the air longer than any other church sponsored religious telecast. At the present time it is being viewed on

280 stations, mostly on a public service basis. Cost of operating "Faith for Today" for one year is \$1.5 million. This includes weekly filming, distribution of the color reels to carrying stations, and operating the large Bible correspondence school directed by the program. "Faith for Today" was formerly viewed in Maine over stations WABI and WMTW.

In the evening of February 8, at accepted at Colleges this week: Katrina Lowe and Beverly York at Plutarch's School of Business in Portland and James Perkins at Northeastern University in Boston.

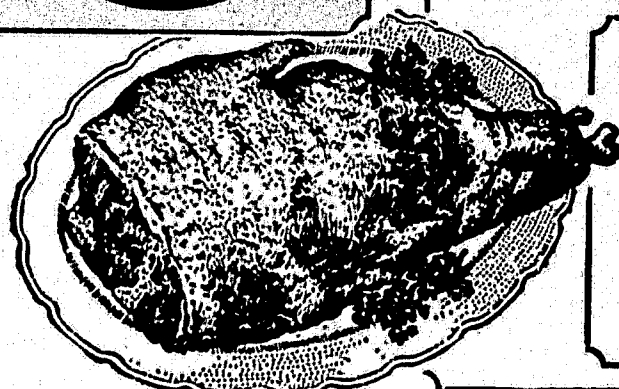

Plan now to attend the Dollars for Scholars Minstrel Show, "All Aboard for College," to be given on Friday, February 28, and Saturday, March 1. Come, see and hear the theatrical talents that abound in S. A. D. 44.

7:30, a Walt Disney film entitled, "Big Red," will be shown at the Legion Hall, on Church Street, in South Paris. There will also be an auction. This is being sponsored by the "Home and School," organization of the Church, and is open to the public.

The new "Shawnee" Steps, a gift to the church in memory of Mrs. Wilma Hendrickson, has filled a great need and is deeply appreciated.

PUBLIC HEARING NOTICE
The Water and Air Environmental Improvement Commission of the State of Maine, acting pursuant to Title 24, Section 451, of the Revised Statutes, as amended, will hold a public hearing on March 5, 1969, at 10:00 A. M. in the Municipal Building, Rumford, Maine, in order to determine whether the Towns of Rumford, Maine, and all Industries and Sewer Districts within these communities can, reasonably complete any or all of the steps required to be taken by subsection 1, paragraph A, through E, of said Section 451, at an earlier date or dates than is therein provided.

In determining whether an accelerated schedule of compliance with said Section 451, should be imposed upon these Towns, Industries and Sewer Districts, and the Commission will consider the following factors: The availability of municipal, quasi-municipal, state, federal or other funds; of technical or engineering advice or other services; of machinery, construction materials and manpower; necessary to construct any proposed abatement facility, and the state of the art of pollution abatement technology.

The above Towns, Industries, and Sewer Districts are invited to appear at the hearing in person or by attorney, and to present such evidence concerning the above factors and such other evidence in the premises as it desires.

Prof. Donald Koons, Chairman, WATER & AIR ENVIRONMENTAL IMPROVEMENT COMMISSION

Clarence E. Howe

OXFORD PAPER PHOTOGRAPHER HAS ARTICLE PUBLISHED IN PROFESSIONAL MAGAZINE

An article by Clarence E. Howe, research photographer with the Oxford Paper Company, Rumford, appears in the February issue of The Professional Photographer, official journal of the Professional Photographers of America, Inc.

Titled, "High-Speed Photographic Techniques in Papermaking," the article describes how high-speed photography is an important research tool in the papermaking process.

Papermaking machines operate at such high speeds, Howe said that it is impossible to view the phenomena of the process with the naked eye. High-speed photography allows the research scientists to view the process in a frozen state.

The University of Maine students were home on semester break last week.

BORN

In Rochester, N. H., Feb. 2, to Mr. and Mrs. Robert Turner (Marlee, Beaupre, formerly of Bethel), a son.

In Norway, Feb. 4, to Mr. and Mrs. Alfred Charest, a son, Andrew Mark.

DIED

In the Mekong Delta Area, Vietnam, Feb. 1, 1969, Neil H. MacKillop of Woodstock, aged 20 years.

RECEIVES BRONZE STAR

Duane Gordon, son of Mr. and Mrs. Robert Gordon of Tyler Street, Bethel, recently received the Bronze Star Medal for service with the United States Mission in the Republic of Vietnam.

The citation accompanying the medal reads as follows:

"By direction of the President, the Bronze Star Medal is presented to Specialist Five (E-5) Duane E. Gordon, RA 11 461 395, United States Army, for distinguishing himself by outstanding meritorious service in connection with ground operations against a hostile force in the Republic of Vietnam during the period 19 September 1967 to 18 September 1968. Through his untiring efforts and professional ability, he consistently obtained outstanding results. He was quick to grasp the implications of new problems with which he was faced as a result of the ever changing situations inherent in a counter-insurgency operation and to find ways and means to solve those problems. The energetic application of his extensive knowledge has materially contributed to the efforts of the United States Mission to the Republic of Vietnam to assist that country in ridding itself of the communist threat to its freedom. His initiative, zeal, sound judgement and devotion to duty have been in the highest tradition of the United States Army and reflect great credit on him and on the military service."
